The IFLA Series on Bibliographic Control includes titles which provide detailed information on bibliographic standards and norms, the cultivation and development of which has become indispensable to the exchange of national bibliographic information on an international level. The Series also gives a comprehensive, accurate overview of a wide range of national bibliographic services on offer. The Code of Federal Regulations is the codification of the general and permanent rules

published in the Federal Register by the executive departments and agencies of the Federal Government. Bentley Publishers is the exclusive factory-authorized publisher of Volkswagen Service Manuals in the United States and Canada. In every manual we provide full factory repair procedures, specifications, tolerances, electrical wiring diagrams, and lubrication and maintenance information. Bentley manuals are the only complete, authoritative source of Volkswagen maintenance and repair information. Even if you never intend to service your car yourself, you'll find that owning a Bentley Manual will help you to discuss repairs more intelligently with your service technician. The Soul of Sponsorship explores the relationship of Bill Wilson, cofounder of Alcoholics Anonymous, and his spiritual adviser and friend, Father Ed Dowling. Many might consider that such a remarkable individual as Bill Wilson, who was the primary author of AA literature, would be able to deal with many of life's problems on his own. Reading The Soul of Sponsorship will illuminate and answer the question of how Father Ed, an Irish Catholic Jesuit priest who was not an alcoholic, was able to be of such great help to Bill Wilson. Part of AA's Twelfth Step reminds us "to carry this message to alcoholics," and The Soul of Sponsorship illustrates how sober alcoholics still need the principles of the Twelve Steps brought to them by friends, sponsors, and spiritual advisers. Some of the problems faced by Bill Wilson were: depression in recovery dependency issues whether or not to experiment with LSD the place of money and power in AA knowing God's plan and will learning from mistakes Father Ed taught Bill the importance of "discernment." In Father Ed's Jesuit tradition, discernment was a gift, passed down to him from St. Ignatius, the founder of the Jesuits, who described his own struggle with discernment in Spiritual Exercises of St. Ignatius. The Twelve Steps of AA and the Spiritual Exercises of St. Ignatius presuppose that there is a caring God whose will can be known. The act of tuning in to God's action at one's center is discernment. The big question is, how do you know your Higher Power is speaking and revealing Himself through your feelings and desires? What Bill learned from Father Ed can be found in books and articles he wrote for AA. For the good of AA and himself, Bill learned to listen to his desires, be aware of his inner dynamics, and tune into the action of God within. Doing this meant learning to recognize and identify his personal movements--those inner promptings and attractions often

called emotions or affections--which are part of ordinary human experiences. The person who helped Bill grow in discernment was Father Ed, the Jesuit priest with a cane who limped into the New York AA clubhouse one sleet-filled November night in 1940. The two "fellow travelers," Father Ed Dowling and Bill Wilson, gave each other perhaps the greatest gift friends can give: calling on each to know who he is--before God.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*. Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database.

This overview of peatland ecology and conservation on National Forests in the Northern Rocky Mountains describes physical components, vegetation, vascular and nonvascular flora, and invertebrate fauna on peatlands. Detailed site descriptions for 58 peatlands in Idaho, Montana, and northeastern Washington are included. Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.
